DESCRIPTION

Only a 10-minute walk from the Lainzer Tiergarten and only half an hour by car from the city center, the new construction project in Schweizertalstrasse offers the rare opportunity to live luxuriously surrounded by the pristine beauty of nature.

This new building offers everything that is important when looking for the perfect property, namely living in a unique location. On the edge of a 2.5 hectare wooded park, the penthouses offer a breathtaking view over the city, the garden apartments impress with their silence and serenity, the standard floor apartments convince every lover of fresh air. Generous balconies, gardens and terraces, as well as sufficient underground parking spaces complete the overall picture of the house.

The final operating costs have not yet been announced to us by the developer, we will submit them as soon as possible.
